

# CERTIFICATE OF REGISTRATION

Pursuant to the Ohio Revised Code Chapter 3748 as amended, and in reliance on statements and representations made by the facility listed below and upon payment of the requisite fee, the Director of Health (the Director) hereby grants a certificate of registration to the facility to receive, possess, use, store, transfer, install, service and/or dispose of the radiation sources listed below at the designated source location.

Pursuant to rule 3701:1-38-03(K) of the Ohio Administrative Code, a registrant is required to notify the Director, in writing, fifteen days prior to making any change which would render the information contained in its application for registration no longer accurate.

A registrant is also required to comply with applicable sections 3748 of the Ohio Revised Code, the rules promulgated thereunder, and with orders of the Director issued pursuant thereto.
